For anyone who wishes to make a donation, you are still welcome to do so. You can drop your ShareLife envelopes in the offertory basket until July 31, 2018.

RENOVATION IN CHURCH - Please, know that our renovation planned for the month of June has been postponed to the end of July. Later on, we will let you know the exact dates.

Thank you for your patience and understanding!

TO BE ABLE TO RECEIVE HOLY COMMUNION, you must be baptized Catholic and in the state of grace, not with mortal sin. Those who are not married in Church cannot receive Holy Communion. Before receiving Holy Communion it is good to make a due reverence, either bowing or genuflecting or with the sign of the Cross while the person in front of you is receiving Holy Communion. When the Priest or the minister says: "the Body of Christ", you must respond: "Amen", which means: I believe! Then you must put the Host in your mouth while still facing the Altar. We are very sad to say that lately we have found hosts in the pews. This is a sacrilege. If you find yourself in line and realize that you shouldn't receive Holy Communion, when you are in front of the minister, cross your hands in your chest and he will say: "peace be with you".
