PREPARING FOR MARRIAGE:

To ensure every advantage for the best possible preparation, you are expected to plan with the Priests of St. Paschal Church, at least six months before the proposed date of your wedding. This will enable you to have ample time to take the required marriage preparation course, gather the necessary documents, have the interview with the priest, obtain the marriage license from the City Hall, meet with the organist, and, finally, have a rehearsal of the ceremony with your bridal party shortly before the wedding day.

Please remember to notify the parish office if you have a change of address!
